

I am having a Hiroshima <sup>up to 11</sup> war with  
P. Mash. - (at "Cambera level"!)

I'll NEVER Trust him again.  
NEVER.

Dear Boy. (<sup>alias</sup> Junyari)

You said I was like  
~~your~~ <sup>my</sup> grandmother (which <sup>is</sup> <sup>no</sup> or  
Harper?) hence the "Boy"!

I do want a letter. And  
your news!

Are you a R.C. priest? (yet)

Are you engaged? (yet)

Are you (as I told you to do)

<sup>Cultivating</sup> <sup>the friendship of</sup> <sup>Marie Watt?</sup> <sup>(Lubarian)</sup>  
<sup>(love her in love).</sup> (yet)

(If you don't get her a  
Lubarian will...)

How are the Barclays? (Both)

Have I blotted in copy book  
(Somehow?) here.

When are you & Mr Barclay  
coming down?

Best wishes - (see back) <sup>Yours</sup> sincerely  
Alice Pitt

Silly question: it would depend on "grip" if I had got a shield with  
from long does it take to cure epilepsy?  
fig. someone asked me to find out

Please give my kindest regards to  
Mr. + Mrs. Barclay. I tell the  
latter I hope to send her some  
more flowers soon.

(But it will depend on weather,  
the heat,)
