My Dear Parents.

I am happy to state that we are going to have a short cessation from our duties, as Mr. Giblin purposes giving us a few days to recreate ourselves, after the last six-months' application. I trust you will find we have much benefited by it; having assiduously endeavoured to improve in our learning; this improvement

G. Meredith Esq.
Great Swan Port.

I have reason to hope will prove satisfactory to
you, and obtain me the pleasure of your
approval. Some of our young gentlemen
visit home others do not but I trust whether
my brother and I have the pleasure of seeing
you at home or not I shall employ my time
equally beneficial, as those who remain are to
study one part of the day and improve
their gardens and otherwise employ themselves
during the remainder. We cease from
our usual routine of study on Monday the
24th Instant, and resume it on Monday
the 8th of July next: begging in the mean time
your acceptance of my duty and love

Remain,

My Dear Parents

Your dutiful.

& Affectionate Son,

Henry Meredith.

P.S. As you have kindly given me permission
I shall avail myself of it to spend a few days
with Mas.^r Butcher at the Coal River.

M^r and M^{rs} Giblin desire their most respectful
compliments.

George Meredith Esq
