Dear Sir

Mrs Wood will be most happy to see Mrs
Leake and her friends at any time -

I left two flower pots for you at Mr Swifts, but
could not at the time obtain saucers for them -

I have a very decent entire horse of the
carriage breed to which I have put ~~all~~ my
mares - If you like to send one or two you
are welcome, and they shall be taken care
of until stinted -

I send on other side the bills for your
acceptance as usual - and remain Dear Sir

Your Obedt Servant

L. Leake Esq
