

9th - November

Valleyfield

My dear Willie

We have

got three turkeys

out and two

chickens besides,

there are four hens

and one turkey sitting

We have had four or
five gooseberry pies.

Robert went to
Melbourne last
Saturday with
uncle James and
aunt Puist. Old
Joe was out getting

some wood, and

some one broke his
window, got in, and
stole all his things.

A beautiful owl

came into the garden

Robert caught it
in the laundry

and we sent it to
Mr Whitcomb
Miss Jones sends her
love to you. I am
Yours affectionate
Adam Taylor
